Accredited International Arbitration Course

ADR ODR INTERNATIONAL

ADR ODR international prides itself in being one of the first dispute resolution organisations to bridge the gap between traditional face to face alternative dispute resolution and the emerging digital world of online dispute resolution.

ACCREDITED INTERNATIONAL ARBITRATION COURSE

Our international arbitration course has been specifically designed and developed for professionals with the aim of providing a comprehensive and intensive training programme on the most fundamental aspects of the arbitral process. This course will develop your knowledge and practical skills increasing your breadth and understanding of the principles of arbitration allowing you to confidently practice in the field of arbitration.

At ADR ODR International we believe that delegates learn best by practicing their skills. This is why all of our programmes are skill-based and focus on practical learning and coaching. The programme is presented by highly experienced international tutors and arbitration practitioners who give comprehensive feedback and guidance throughout the course.

Excellence guaranteed

ADR ODR International is recognised by national and international organisations and clients. The Civil Mediation Council UK, SIMI (Singapore), BPP University, UWE, MMU, EU and the ICC are just some of the prestigious recognition.

Delivery of modules

ADR ODR International is a leading provider of blended learning. We believe in the capacity of technology to enhance the learning of each delegates. The nature of each module requires face-to-face learning which is complimented by our e-learning portal. In addition, we give each delegate access to course materials through our dedicated course app, Ugenie. Delegates will also benefit from the use of an iPad or learning device for module 2 where arbitration advocacy skills can be recorded and reviewed by both the delegate and tutors.

Should I attend?

At ADR ODR International we believe that delegates learn best by practicing their skills. This is why all of our programmes are skill-based and focus on practical learning. During your training, some of your modules will include 70% of your time in role-play scenarios with tutor-observed sessions. The programme is presented by highly experienced international tutors and ADR practitioners who give comprehensive feedback and guidance throughout.

The course creates a rich and stimulating environment with plenty of opportunities to interact with the course trainers and fellow delegates. Case study exercises, group discussions and de-briefing sessions enable you to practice the skills you have learnt.

Tutors are available to you throughout the programme to discuss any aspect of the course including practical difficulties. ADR ODR International brings together leading knowledge in the field of ADR training to ensure that each delegate understands the context and application of the core skills needed to become an excellent arbitration practitioner.

Course Materials

During the course, each delegate will receive a leading arbitration text book and course slides via our dedicated digital portal. The course text book is designed to assist your learning thought-out and after the course.

Why train with us?

ADR ODR International can offer you access to a wealth of ADR experts who have over 35 years of experience from over 10 countries. This expertise and experience alongside ADR ODR International's thought leadership and commitment to technology, allows us to produce the best possible arbitration course for aspiring dispute resolution experts.

Our blended learning ethos also allows delegates to have access to an online learning platform giving delegates quick and easy access to course material and group communication.

Post training professional development

ADR ODR International is passionate about conflict resolution and we firmly believe that each and every graduate of our course should be provided with every opportunity to develop their skills. On successful completion of the course you will have a full understanding of the skills required by an arbitrator, which will allow you to confidently practice as an arbitrator.
